

Marc Mawhinney

Marc Mawhinney is a lifelong entrepreneur who has been helping coaches get more clients since 2014! He's the host of the "Natural Born Coaches" podcast, which has released over 900 episodes, and the Tarzan of "The Coaching Jungle" Facebook group, which has almost 30,000 coaches in the community.

He's been a speaker at events like "Social Media Marketing World", frequently makes media appearances, and has contributed for Entrepreneur.com. You can learn more about Marc at NaturalBornCoaches.com!

POSSIBLE TALKING POINTS:

- Starting a successful business on a shoestring budget with Marc's "3 Pillars Strategy" !
- Building your online business without fancy funnels or expensive ads
- Increasing your fees and blasting through money blocks!
- Bouncing back from adversity and dealing with haters
- Polarizing for profit: why people-pleasing is so dangerous for your business!
- How to use daily emails to turn your email list into a cash register, from someone who has emailed his list daily for over 3000 days !
- A proven strategy for adding six-figures per year into your business with a unique joint venture model (that doesn't require a big following)
- How Marc built his Facebook group, The Coaching Jungle, to almost 30,000 members ... without spending a penny on ads!

BONUS:

Marc will promote the interview to his 100,000+ followers across social media, and the interview will go on the "Media" page at NaturalBornCoaches.com for additional downloads!
